- Please note, if there is not enough demand to run all sessions, Sault Major reserves the right to merge sessions together.

Sault Major will provide the following to the successful proponent:

- Ice
- Registration
- Collection of registration money
 - o each prep skate costs \$35/player
 - o body contact clinic costs \$65/player

- List of registered participants (min 7, max 30, per session)
- Financial Summary (registration – ice costs = amount to remit to proponent)

Who is qualified to submit a proposal?

- Approved coaches for 2024-2025 season (member of an approved roster)
- Approved 3rd party provider for 2024-2025 season (completed 3rd party provider registration (including Respect in Sport – Activity Leader, Gender Identity & Expression, VSC approval and declaration, and 3rd party insurance through Hockey Canada)
- Any on-ice helper must also be on an approved roster, or be an approved 3rd party provider
- Anyone involved in player evaluations with a team this spring is not permitted to run prep skates for that age group, as per the NOHA
- Minimum qualification to run a prep skate is Coach 2 course, and to run a body contact clinic is HU Online Checking course

What to include in your proposal

- relevant qualifications (courses) and coaching experience / and clinics you have run
- names and qualifications of any on-ice helpers
- any team(s) that you or a helper will be assisting with during spring player evaluations
- which sessions you are applying for, and any times from those listed that you are not available for

How will Sault Major choose successful proponents?

- will select based on qualifications and experience
- may select more than one successful proponent and divide the sessions amongst them. Division may not be equal
- successful proponents will be named after registration deadline, so that Sault Major can determine demand and whether sessions need to be merged
