We have received some concerns regards injured players being allowed on the bench during games.

Injured players are not allowed on the bench and must sit in the stands.

All managers/coaches will have this policy in their packages. If you do not have a manager's package, please let Ann Dias our Office Administrator know and she will forward to you.

Please be advised that Sault Major Hockey Association does not allow injured players on the bench in full equipment or no equipment. Any coach who allows an injured player on or at the bench during a game will be suspended on the spot for three (3) games.

Please see the following policy.

INJURED PLAYERS ON THE BENCH The NOHA has received many calls about injured players being on the bench during hockey games.

Please be advised of the following Hockey Canada Playing Rule 9 (c): Only players in uniform and a maximum of five team officials shall be permitted to occupy the players' bench. These individuals shall be registered and entered on the Official game report. A maximum of five team officials may be recorded on the Official Game report.
